

# Pet Arthritis

Arthritis affects not only people of all ages but also strikes our pets too.

It is one of the most common sources of chronic pain that veterinary surgeons treat.

**1 IN 5  
DOGS**

**Over the  
age of 7  
has  
Arthritis**

**90%**

**Of all  
geriatric  
cats have  
Arthritis**

If you think that your pet may have arthritis then
